

## **Freestyle Music**

In accordance with Chapter 2 Article 10 of the FISAC-IRSF 2010 World Championships and World Youth Tournament Rulebooks, each freestyle music is required to be handed to the Sound Technician directly before the corresponding Freestyle performance.

Please ensure that

- Each Freestyle music is handed in as an Audio CD with only ONE Track on it.
- The corresponding event is clearly written on the CD
- The Team/Skipper identifier is clearly written on the CD

Please ensure that all competitors are aware of the rules concerning missing, wrong or faulty music.

Everyone is advised to check during practice times that their CDs function without problem in the competition sound system.
